

Tank Ordinance Meets Opposition At Council Meeting

A request for modification of an ordinance concerning safety precautions with large petroleum and liquid gas tanks was presented to the South Bay Council Monday night and was referred to the planning board for recommendation.

Gleason McCalfee of Power Gas Co. sought release from a section of the ordinance requiring tanks to be buried at least three feet below ground or fill within the city's fire zone.

Appearing with McCalfee were V. L. Dexter of Glades Gas Co. and Tom Schwaller of Lake Gas Co., both of Belle Glade.

McCalfee stated that buried tanks created more hazard than an above-ground tank and a buried tank would be difficult to inspect.

Action on the underground tank ordinance came shortly after a serious fire Aug. 4, 1957 at South Bay Truck Stop.

In other action the council approved the petition of Ralph Stations about 10 c. of Lake Harbor, Sept. 20. Death was attributed to a heart attack.

Survivors include his wife, Sanchez and daughter Sue of Lake Harbor; two step-sons, Bayard Byrd of Wauchula and Bobby Byrd of Athens, Ga.; a brother, Ted, of Ft. Pierce; three sisters, Mrs. Pearl Geuther of St. Petersburg, Mrs. Forest Wood of St. Petersburg, and Mrs. Fred McMonahan, Detroit, Michigan and one grandchild.

Funeral services were conducted Monday at 2 p. m. at Lake Harbor Methodist Church by Dr. N. D. Stedman, pastor officiating. Burial was in Port Moravia Cemetery.

Overseas memorial services were conducted by Everglades American Legion Post 30 Chaplain Farnell with James Ellis, H. A. Vaughn, Jr., W. E. Eggleston, James Anderson, Jack Hargrove, Charles Smith and Hubert McCormick serving in the color guard.

Palbearers were Jake Newman, C. L. Smith, R. M. Mackey, Sheriff John Kirk, A. W. Walkey, J. L. Loyd, McCalfee, A. B. Mathis, Jr., L. M. New, C. Thomas, Bobby Eldon, L. C. Nipper, Nathan Bolton, Kurt Scheiding, Leon Pope and H. R. Swain.

Weathering Funeral Home was in charge of arrangements.

Distinguished visitors included J. Alex Arnette and A. E. Kirchman, both past District Deputy Grand Exalted Rulers, and Elmer I. Tedder, District Deputy Grand Exalted Ruler.

Deputy Beach lodge had five members present, Palokoe 12 and West Palm Beach three.

In honor of Vann's visit, an official initiatory class called the James Vann Class was initiated consisting of Charles D. Burkett, Henry V. Vaughn, Jr., Gerald McKee, exalted ruler, and other officers attending.

A fried chicken dinner was enjoyed by more than 75 Elks attending.

Representatives from 103 savings and loan associations in the state are meeting today through Saturday in Palm Beach for the 35th annual convention of the Florida Savings and Loan League Sept. 25-27.

This year's convention will be held at the Palm Beach Towers and will feature a number of nationwide leaders in the savings and loan business.

Representing Everglades Federal Savings and Loan Association of Belle Glade will be Richard A. Putnam, executive vice president; H. B. McCall and Herbert D. Beck, president.

Putnam is a member of the nominating committee.

Presiding over the three-day meeting will be the president of the league, Ralph W. Sedgwick. Heading the list of dignitaries who will participate in the annual convention is Joseph Holika, president of the U. S. Savings and Loan League.

Roundtable discussions and addresses by prominent savings and loan officials will touch on essential matters of the league.

The Glades—An Empire!

We are THE agricultural section of Palm Beach County! In spite of production of foodstuffs, in payroll and in total gross income to the county, we are on the front row.

In politics we are generally negligent in exercising our voting franchise; BUT we don't rank so bad in comparison. If the Glades of Palm Beach County as an area, is compared with Florida counties in the recent Holland-Pepper voting we would be twelfth from the bottom in the number of votes cast.

The Glades gave Holland a greater total majority than did the combined majority of four Holland counties — Franklin, Glades, Flagler and Jefferson.

Nineteen counties cast less votes in this contest than did the Glades area.

Belle Glade cast more votes than did four counties combined. Palokoe cast more votes than did two counties combined and more votes than did four counties individually; South Bay and Chosen each cast one county and each ranked with two counties in total vote-cast.

Following luncheon social sessions will be held for VFW members and auxilary. Auxiliary 8181 is co-sponsor of the event with Cleveland.

It was also learned that the VFW Auxiliary would visit Fort Gaines VA hospital Oct. 1. The membership discussed plans for a deep freezer drawing which would be held near Christmas.

A violation of the judge's order will mean that the six children involved will be placed in the county children's home and subject to court proceedings.

The members of the county children's home and subject to court proceedings will be filed against Happy Johnson, according to Assistant Juvenile Counselor Gene Duncan.

Duncan brought the action after the City of Belle Glade found itself powerless under the law to take action to stop the practice which had brought numerous complaints from businessmen and individual citizens.

The six children range in age from seven to 12 years old. Duncan reported. The action was taken through juvenile court and courtroom presentation of fingerprint evidence.

Sponsored jointly by the Sheriff's Department and Palm Beach County and the Provost Marshal's Office, PBAPB, the course was attended by 100 men from the local MATS base and police officers representing communities from Stuart to Ft. Lauderdale.

Among those receiving certificates were Belle Glade Police Department, D. Officer George J. Farnell, Deputy Sheriff Bobby Newman, both of Belle Glade and Eugene Ellis, T. D. Officer for the Sheriff's Department, West Palm Beach, who is a former Belle Glade resident.

Democratic Committee men and women have been in the past generally speaking, offices of honor casually bestowed and as casually filed.

Abbie Waddell of Lantana a long-time county resident has a record of civic jobs for community and county and offers to extend her energy and abilities to include the job as committee woman for the City of Palm Beach County.

George Butler, Palm Beach County boy who attended our Junior College and took his law degree at Miami, is a veteran of combat service with the Air Corps, active in church and civic groups at Riviera Beach, is asking the vote of Democrats for the job as county committeeman.

This is a free job as far as salary and expenses are concerned and these two are asking voters to allow them to serve the party in the County.

The increasing importance of a strong Democratic Party in this county is a strong argument in favor of serious consideration of qualified candidates.

Don't forget to vote for your party committeemen and women next Tuesday.

Teacher Reception
A reception for South Bay School teachers and their families will be held tonight at 7 o'clock at the school cafeteria.

City Wants Probe Of Electric Rates

City Commissioners at Belle Glade ordered a check into Florida Power & Light Company demand meters and high electric bills Wednesday after a cafe owner, Lee Fygel, sought the council's approval to construct his own power plant to offset the high charges on his business.

The council also tabled three ordinances on second reading pertaining to bankruptcy sales, false sales and misleading advertising in connection with sales.

Freels told the council his electric bills were twice what they should be. The council moved to ask Curtis Chase, district FPL&L manager, to appear before the council to explain demand meters and reasons why bills for FPL&L service appear to be exorbitant.

A resolution was passed approving the tax rolls and general property at \$9,531,580 which will net \$119,144.75 in taxes for the fiscal year.

A resolution was passed approving the tax rolls and general property at \$2,006,200 which will net \$25,078.39. Total assessed land valuation before exemption is \$14,339,250. The city budget ordinance was also passed on second reading.

Following luncheon social sessions will be held for VFW members and auxilary. Auxiliary 8181 is co-sponsor of the event with Cleveland.

It was also learned that the VFW Auxiliary would visit Fort Gaines VA hospital Oct. 1. The membership discussed plans for a deep freezer drawing which would be held near Christmas.

Port Officials Inspect; Praise Work Done At Port

A volume business for Port of Belle Glade on Rim Canal is a logical possibility, according to opinions voiced by Port of Palm Beach Commissioners who inspected Belle Glade's facilities Thursday morning.

Their praise of the progress made by the City of Belle Glade through the Chamber of Commerce port committee was evident at a meeting at West Palm Beach Friday when they reported on what they termed "outstanding improvements" at the port-owned facility here.

Representing the Port of Palm Beach were Billy Burns, Avery Gleason Stambaugh, Sr., commissioner; Charles Fulton, port attorney; Virgil Henderson, assistant engineer and Joel Wilstam, traffic manager.

Accompanying the visitors on their inspection tour were Avery Bass, Police Chief Charles Goodlett and Shelly Connell, Belle Glade port committeemen; and Mayor William Evans and Commissioner R. W. Lanier were also luncheon guests.

Savings to the consumer through barge deliveries at the port instead of by other means of transportation were thought possible by the commissioners who estimated some 200,000 tons annually could be accommodated here if the water approach here could be deepened and warehouse facilities built at the existing wharf site.

Traffic through Port Belle Glade would include cattle feed, petroleum products and consumer goods.

At a May 23 meeting of the port commissioners a survey of the Belle Glade port was ordered. At the same meeting it was learned that the Corps of Engineers planned dredging activities in and around the existing wharf site.

At that time the port commissioners felt they had some assurance that the Engineers (Continued on Page Eight)

Driver's Licenses Expire Sept. 30 Agency Reminds

Since Sept. 1, 3,118 operator permits have been sold through the agency office at Harris Insurance Agency on Ave. E. according to a spokesman there. Deadline for obtaining permits is Sept. 30.

A break-down shows 2,278 operator permits, 730 chauffeur permits and 116 restricted permits were sold.

District Legion School Held Here State Commander Advances Program

Came to 100 Legionnaires from posts throughout the Ninth District attended the district school of instruction Sept. 21 at 2415 Glades American Legion Post 20 at Belle Glade.

Department of Florida Commander E. J. Cooper, Grassville, topped the list of dignitaries of the district and department. In short address Cooper outlined a three-point program to promote membership and allow the Legion to become a stronger organization.

Cooper will seek approval of his program before the department executive committee, but sought grass-roots opinions of his program before he completed the plan.

The program, already outlined in a state-wide Legion publication, calls for the creation of

new posts and more members. A second point in the program would provide a census of veterans in the state and the third point would provide low-cost hospitalization insurance to Legionnaires.

"I'm not trying to railroad a program through," he told his audience, "I'm only trying to get the attention of the Legion to the rank and file members."

The majority of the morning session was devoted to instructional information presented by district officers and prominent leaders of posts to get the program of the American Legion to the rank and file members in order that they may return to their posts and present it to those unable to attend.

Rams Blank Torpons 24-0 Friday
Face Lake Worth Trojans Sept. 26

Belle Glade High School's Golden Rams knocked off their first football opponent of the year Friday night before a near capacity Belle Glade audience romping over Punta Gorda, 24-0.

Malibuck John Chamblee staged a pinpoint kick parade of his own as he carried the ball into pay dirt three times on runs of better than 30 yards each trip.

The lopsided scoring spree gave quite a few Rams a chance to get valuable experience. They'll need a chunk of it Sept. 26 when they face Lake Worth's Trojans. The east coasters have a 12-12 non-conference record over Vero Beach.

Punta Gorda used a few tricks like the "Notre Dame shuffle" and ancient Statue of Liberty play but never got past the Ram 33, Ram 35.

On the opening kick-off the Rams drove to the Punta Gorda

four and took the ball on downs. They lost again on the opponent's 32 where Chamblee went around the right side to score.

With four minutes left in the first quarter Chamblee was off again on another 35 yard run. At the end of the third Jeff Thomas went through the line and romped 90 yards but the score was nullified by a penalty.

In the first minute of the final stanza Jerry Edwards baffled the defense on a center-keep play and scored on a 60-yard run.

With three minutes left Chamblee scored an errant Punta Gorda toss and scored from 50 yards out before the officials noted a offside violation.

Conversion attempts with kicks by Quarterback Thomas failed on each scoring try. (Continued on Page Eight)

Lake Okechobee Unit FHFA Has Two Recruits From South Bay Post

Howell Goodbread and Cosby Crews, members of the South Bay American Legion Post 161 joined the Florida Highway Patrol Auxiliary at the regular meeting Monday night in the FHP office in Pahokee.

Others from the South Bay post attending were: C. Allen, Charles Clifford Allen and Glenn Dasher. The group met under the instruction of Corporal (Cousin) Windham.

With over 40 units now active (over 1050 Auxiliaries) it is found that many posts are not doing their share of keeping members informed on the program. The FHFA brings prestige to the community and the Legionnaires by actually working with law enforcement agencies become trained for all types of emergencies. Churches Of Christ Scientist

The spiritual, harmonious nature of God's creation will be brought out at Christian Science services this Sunday.

Among the Bible passages to be read in the Lesson-Sermon entitled "Reality" is this one: "The prophet that hath a dream, let him tell a dream; and he that hath my word, let him speak my word faithfully. What is the chaff to the wheat? said the Lord." (Jeremiah 23:28).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include: "The 'Jesus' demonstrations lift the chaff from the wheat, and unfold the unity and the reality of the good, the unaltered, the nothingness of evil" (289:5).

The Golden Text is from Psalms (43:6): "Thy throne, O God, is for ever and ever; the scepter of thy kingdom is a right scepter."

South Bay Baptist Elects Five Deacons

Election of five new deacons took place Sunday at the First Baptist Church, South Bay at the morning service. Electing officers were W. G. Bowen, W. C. Allen, James Jackson, Jay Smith and H. M. Prevatt.

The Wednesday night prayer service was held at the church, Mrs. A. J. Williams presided, and the Women's Missionary Union presented a program on "Religion As A Mighty Stream". Participating on the program

Baptist To Hold SS Promotion Day And Installation

A meeting of the department heads of the Sunday School was held at the home of Francis L. Harris, 643 S. E. 1 on Monday evening. All the old and new departmental superintendents were present except one. Francis Harris is the present Superintendent of the Sunday School, and Roy L. Littlefield is the newly elected Superintendent for the month of October.

Plans were made at this meeting for Promotion Day in the Sunday School which will be held Sunday in the departments. The last Sunday in September, pupils who advance in age are promoted from class to class and from department to department.

An installation service will be held Sunday at the 11:00 o'clock worship service for all officers and teachers of the church. Envelopes for offering will also be given to all church and Sunday School members at the Sunday School and morning worship. These offering envelopes will be put into use the first Sunday in October, which is the first Sunday of the new church year.

BIBLE ... THOUGHT

WE NEED A NORTH STAR
Rev. John B. Gill, Jr.

"The devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them." Matthew 4:8.

In the temptation experience Jesus showed His eyes upon the North Star and declared, "Thou shalt worship the Lord thy God, and Him only shalt thou serve." All who know the heavens know that they can always get their bearings if they can see the North Star. It is always constant and can keep the traveler on his true course. Likewise we can always be kept on the true course of life by fixing our attention upon it. We will keep us from being led astray by the temptations and allurements of evil and second rate interests if we worship and serve Him.

A little girl was once lost in a large city. She could not find the police her last name or address. She had not lived in that city long, and the policeman had difficulty in getting any help. He said to her, "What is your name?" She said, "I know my way home from the church." The policeman asked her to describe the church, and she recognized the one at once. He took her to her church, which she and her parents had attended every Sunday since coming to that city. From there she led the policeman to her home. She was not lost when she was at the church.

Neither do we need to be lost in the confusion of life. We can turn to God in worship and service, and then life will make sense again. God is the North Star of our lives. We know our way when we turn to Him.

Singing Convention At Canal Point Sunday

The Glades Singing Convention will be a special program.

Today's Meditation

Read Psalm 119:105-112

But his delight is in the law of the Lord; and in his law doth he meditate day and night. (Psalm 1:2).

In a small town in India, I saw a crowd of people standing in front of a house. Surprised to see such a crowd in a narrow and dirty lane, I asked a spectator, "What is the cause of such a gathering?" He answered, "The twelve-year-old daughter of the owner of the house has finished reading the Koran from beginning to end."

In delight and in recognition of his daughter's accomplishment, her Muslim father had just given a feast to his relatives and neighbors. Before the beginning of the feast the girl had recited some portions of the Koran to the guests.

Do we Christians have such love for the Bible? Do we love God that we can honestly say, with the psalmist, our "delight is in the law of the Lord"? "O how love I thy law it was my meditation all the day." From day to day do we read it with the prayer in our hearts, "Teach me, O Lord, the way of thy statutes; and I shall keep it unto the end?"

THOUGHT FOR THE DAY

A follower of Christ delights in reading the Bible for light and guidance.

Church School Staff Installed

Members of the Church School staff of St. John the Apostle were admitted and dedicated to the office of teacher in the Church by the Vestry. The Reverend Robert N. Huffman, at the nine o'clock family service Sunday a. m.

E. M. Ayres, out-going superintendent, presented the new staff for installation. This year's staff includes: the vicar, Mrs. E. M. Lively, Superintendent, Mrs. S. S. Lovell, Mrs. W. A. Wooten, Jr., Mrs. B. G. Smith, Mrs. R. E. Shoemaker, Mrs. J. D. Dubose, Mrs. J. W. Altman, Mrs. J. H. Maynor, Mrs. H. F. Zump, Mr. Tom Chappell, and Mr. Barnes G. Smith.

The first day of formal classes began immediately after the nine o'clock service. Classes are conducted at all ages, from pre-school, pre-school through high school ages.

Episcopal Young People Organize

Last Sunday, September 21st, the Episcopal young people of junior and senior high school ages met at the church of St. John the Apostle at 7:30 p. m. for Evening Prayer, followed by an organizational meeting.

Plans for the coming year were discussed, and the following officers were elected: Eddie Lovely, President; "Geo-Geo" Pierce, Vice-President; Margo Averly, Secretary; Philip Pierce, Treasurer; and Marilyn Matthews, Program Chairman. Mrs. George A. Pierce will continue as sponsor for the group.

The young people's group will meet each Sunday evening at 7:30 p. m. and are invited and urged to attend.

Jewish Services Mark Yom Kippur

The day of Atonement, Yom Kippur, observed by members of the Jewish faith residing in the Glades Wednesday, September 24, was also the Jewish year is also called the "Sabbath of Sabbaths."

It is the most solemn day and the fate of each man was sealed on that day. The solemn service began with the chanting of Kol Nidre, Hebrew for "All Vows," and is a petition of forgiveness.

Wednesday there was a confession of sins, a memorial service for the departed and a reading of the book of Esther by J. Steteman, religious leader of Temple Beth Shalom, conducted the services.

Mr. Steteman would also like to remind all members that Sunday prayer classes have been maintained and a regular class schedule will be maintained.

The Thursday night social was well-attended and in view of the success it was decided to have a social once each month on a Thursday night.

Local Pastor Attends District Conference

Robert L. Lovette, pastor of the Christian and Missionary Alliance Church here attended the Annual District Prayer Conference of the churches held Sept. 16-19 at West Palm Beach. Representation from the churches of the district included Georgia, Alabama, Mississippi and Florida. Business of the district was also discussed.

Announcement was made of the 1959 prayer conference which will be held at the Avalon Park Alliance Church in Atlanta, Ga.

Promotion Day At Methodist Church

Sunday School "Promotion Day" will be held at the Community Methodist Church at the Sunday morning service. All children promoted from the Primary Department to the Junior Department will be presented a Bible by the pastor, Rev. John B. Gill, Jr.

Rev. Gill has chosen as the evening sermon topic, "The Basic Text Book For Christian Teachers."

In the evening the sermon text will be "The Concern of the Christian Teacher."

Installation of Sunday School teachers and officers will be held at the evening services. A social period will follow in the evening of the newly seated group.

Revival Scheduled At Nazarene Church

Revival services will begin Sept. 30 at the Church of the Nazarene in Belle Glade and continue through Oct. 12, according to Rev. Kenneth Pierce, pastor.

Evangelist Craig Wyant of Jacksonville, will conduct the revival nightly at 7:45. He has been recognized as an evangelist at the church of the Nazarene in Jacksonville and has been instrumental in the conversion of evangelic churches in Jamaica last summer.

Rev. Pierce extends a cordial invitation to the public to attend the services.

The pastor and Mrs. Price, Alvin Stelle and Virginia Buss attended the Nazarene Church at the Everglades Presbyterian Church, Tuesday night.

Others elected were vice president, John W. Randolph; secretary-treasurer, R. W. Banks, Jr.

Presbyterian Men Elect New Officers

Dr. Emmet Harris was elected president of the Men of the Church at a dinner meeting held at the Everglades Presbyterian Church, Tuesday night.

Others elected were vice president, John W. Randolph; secretary-treasurer, R. W. Banks, Jr.

If men would consider not so much wherein they differ as wherein they agree, there would be far less of uncharitableness and dangry feeling in the world.

In Florida's major timber district, Taylor County is the site of the world's largest cypress swamp. This area played an important part in the War Between the States, producing vital ship supplies for the Confederacy. Bay on the edge of the swamp contains an active barrier for blockade runners. Created in 1856, the county is named for Zachary Taylor, commanding general in the first defeat of General Sherman by the President of the United States.

In progressive Taylor County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant conditions. Both beer and ale are served to the natives, the best interest of the people of Florida. The foundation stresses close cooperation with the Armed Forces in safeguarding the drinking officials in its continuing "self-regulation" program.

District Legion School

(Continued from page one)

presented Commander. Cooper with a letter of recognition from the American Legion national employment committee for Florida's departmental support of a 13-point program aiding unemployed veterans.

Those present adopted Commander Cooper's three-point program in principle and instructed the district adjutant to write the state executive committee about their approval in order that posts would know of

The Legionnaires also heard that memberships were some 1500 ahead of the same period last year. They also heard speakers declare that it appeared that the public has an apathetic attitude toward patriotic observances, that there is greater need to teach principles of democracy and good government to the people but that American Legion programs such as Junior Baseball, oratorical contests and Boys State programs were doing a good job of presenting these principles to the younger generation.

Among those attending in ad-

dition to district officers were James Sindad, chairman of the Legion's mid-winter conference at Orlando, Sid Sobelson, Southern Area Vice Commander, Richard Cook, 10th District Commander, Eddy Anderson, National Executive Committee alternate, Larry Hoffman, Department American chairman, Mike Pericone and Earnest Kelly of the Coral Gables VA hospital.

City Wants Probe

(Continued from Page One)

The council ordered a meeting with municipal pool manager Hector Ouellette after his request to retain 10% of the net proceeds which have been the city's share of the pool operation.

In other action the council: Learned that Section Two of the sewer project had been approved and contracts executed; that the resident engineer was on the job; that bond money would soon be available.

Tabled resolutions on certain agreements with the county pertaining to work on Ave. E and ordered a meeting among interested parties to plan the work.

Heard that the Lake Shore recreation center was complete; also in separate action granted more ground for a concession stand on the Lake Shore athletic field.

Administered oaths of office to Palmer January and William Evans through City Attorney Claude Jones.

Rams Blank Tarpons
